

World Ice Skating Day – STARSkate Events & Team Lists Sunday, December 14 – Centennial Arena

We're looking forward to celebrating World Ice Skating Day with our STARSkate Academy skaters. Below is the plan for the STARSkate portion of the day, including event details, team lists, and improv groups.

Please have your skater at the rink **at least 30 minutes before** their first STARSkate event so they have time to check in, warm up, and meet their group.

Event Schedule

- 12:00–12:45 Bring-a-Friend Family Skate
- 12:45–1:30 Figure Skating Showcase
- 1:30-3:30 CanSkate Fun Skate
- 3:45-4:45 STARSkate Creative Improv Events
- 4:45-5:30 STARSkate Team Elements Events
- 5:30-5:55 STARSkate Awards & Pictures

1. STARSkate Creative Improv Events (3:45-4:45)

How it works

- Skaters are grouped by level and skate to music that matches their theme.
- Music is played three times during the warm-up.
- Skaters are then sequestered in a dressing room.
- Skaters return to the ice and perform individually, one at a time.

Judging focuses on **creativity, musical interpretation, movement quality, and overall performance**. Difficulty of elements is not the main focus.
